Questions?

Please contact Rob Kittay 605-280-7981 or rob.kittay@pie.midco.net

The Conference

The 87th Annual SDWWA Conference will be composed of sessions aimed at improved plant operations, maintenance, controls and problems encountered in water and wastewater operations. The conference is of interest to all water and wastewater supervisors, utilities managers, operators, and city officials. (Ten contact hours for complete attendance at the conference will be given for operator certificate renewal. Attendance will be taken at each session.)

This is not intended to be a basic water or wastewater certification training course. The needs of the beginning operator and operators studying for certification exams may be better served through classes presented by the South Dakota Association of Rural Water Systems through a contract with DANR.

SDWWA Web Site www.sdwwa.org

Registration

Pre-Registration can be done thru the SDWWA web site until September 1. Go to the web site and obtain a pre-registration form to submit thru the mail with payment. **Please try to pre-register if possible to avoid lines.**
